

## Voting Judge: Step 3

- Determine if the voter should be directed to a:
  - Voting booth to vote a regular paper ballot or
  - Ballot Marking Device to mark their ballot electronically
- **If directed to a voting booth tell each voter:**
  - 2-Sided Ballot;
  - use pen provided;
  - read carefully (especially the “Vote For” in each contest);
    - all selection for under-voted contests will be counted;
    - no selections for over-voted contests will be counted;
  - color in oval completely;
  - write-in voting is permitted (**General Election only**); list is posted inside each voting booth;
  - review ballot;
  - when finished, place ballot into privacy sleeve and proceed to **Step 4 Scanning Unit**;
  - raise their hand if assistance is needed;

**NEVER look at a Voter’s Ballot!**

Direct the voter to an available voting booth.
