

February 20, 1973

The Board of Election Supervisors met at the Court House on Tuesday, February 20, 1973, at 2 P.M.

The following members were present:

Raymond C. Patterson  
Oscar W. Spigler  
M. Kenneth Long  
Donald E. Zombro  
David K. Poole, Jr.

Mr. Long made a motion we order ten voting machine covers for the large voting machines. Mr. Spigler seconded the motion. Motion carried.

The Board approved the office to order one Visible Accounting File.

The voting machines are in need of some repairs. The custodians will do this work, but they are to give us an estimate as to how much time, how many machines need repairs and the cost before the Board will decide if it is to be done at this time.

The office has received a letter from the State office commending us for a very "smooth, well-run" 1972 General Election.

The Ross-Mayflower Moving Company has quoted us a price for moving and storing the voting machines. After much discussion, it was decided at the present time the County Roads Department will continue to move and store the machines.

A new method for registered females who get married in regard to changing their names was discussed. The old method as given to the office by the attorney at that time read:

All registered females who get married are taken off the voting record and must reregister under their new name to be eligible to vote in future elections.

The new method is as follows:

All registered females who get married are sent a letter and form to be signed and returned to our office in two weeks in order to get their names changed. The ones that are not returned to our office are taken off the voting records and must reregister before they are allowed to vote. All letters that are not delivered and all persons who can not be located will be removed.

Mr. Spigler suggested we put an article in the newspaper in regard to the new method of changing names.

The Board members asked the clerks to check on the price of new and used voting machines.

February 20, 1973

All Board members and clerks will be attending a special meeting of the Maryland Association of Election Officials to be held in Annapolis, Maryland, on February 27, 1973.

Next meeting will be held in April.

Respectfully submitted,

Daris Phillips
